GOULD ACADEMY GOULD 9 - LIV. FALLS 8

Both teams gave up fourth quarters safeties as Gould Academy preserved the lead in a 9-0 football verdict over Livermore Falls on the latter's home field last Saturday. George Nickerson's placement after the Gould touch-down proved the ultimate margin.

The Andes scored on Mike Henry's 54 yard run with an interception in the opening period but Gould recovered with a march climaxed by Bob Seemans' six yard sweep for the tying touch-down.

Raines was thrown in the Livermore end zone for a safety against the Andes and Remington of Gould later got in a tight spot at the other end of the field and downed the ball rather than give up a possible Livermore six-point chance.

The JV football team won its game at Mexico Monday with a score of 13-0. The first touch-down was made on a 38-yard pass from Alan Remington to Andy Davis, with an end run by Ed Bergen among the points after Andy Davis scored on a pass for the second touchdown.

Quarterback Alan Remington ran the team well according to Coach Joe Hildebrand, and the team performed well as a unit. This is the second victory for the JV team. Freshmen class elections were held on Tuesday with Ed Bergen being elected president of the Junior-Senior class of the Bethel Academy.

From Henry, Hildebrand, Hildebrand and Angus (Hildebrand) were elected following the meeting. A special time was enjoyed by members of the Ravens and Angels.

A TRIBUTE TO MOTHER

MRS. GERTRUDE N. HANSCOM Although she has gone, and her passing leaves an empty spot in our hearts and our lives, we know that she is free from her suffering and is happy at home with her loved ones who have gone on before.

She lived a beautiful, useful and active life, and her love and devotion to her family and friends was an inspiration to all who knew and loved her.

A loving wife, Mother, Grandmother and Great Grandmother, she enjoyed having her family around her, always putting their pleasures and comfort before her own.

Her unselfish devotion to her family will never be forgotten and her passing leaves a void that time can not erase.

Though the passing of time may dim the ache in our hearts, we will never forget the loving care she gave us as children and her many acts of kindness to us in our later years.

She loved animals and always enjoyed being around them, as well as taking care of her small flock of hens and working in her vegetable and flower gardens until failing health and eyesight forced her to give this up in the last few weeks of her life.

Now that she has gone, we rest assured that she is at home with her Lord and free from further pain and sorrow. The family of Mrs. Gertrude Hanscom, by Roger E. Hanscom.
